---

snorkel. maui meta wifi mac address. maui moana full movie. maui free stock photos

wtf is this?. Short, buggy, not fun at all. Not sure why this game has so many negative reviews. A little game about the Hawaiian culture and lore. Nothing groundbreaking, but there aren't many games that focus on the Hawaiian culture so I enjoyed it.. laggy as heck. It's The Legend of Zelda: The Wind Waker, except not good
